

MARKET ADDRESS INFO HERE

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturer reserves the right to vary their specification, including colours, with or without notice at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. Consult the Dealer with whom your order is placed for details of the specification of any particular product. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor. While efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specific details with the supplying Dealer, especially if a selection is dependent upon one of the features advertised.

 Honda sources paper responsibly from manufacturers within the EU.

## INDUSTRY LEADING TECHNOLOGY

# FEATURES

### DESIGN FEATURES

Robust lawn tractors packed with innovative features to maximise cutting and collection performance and make gardening effortless.

#### LUXURY STEERING WHEEL AND KNOB

A specially shaped, soft grip steering wheel improves seat access, whilst HF 2625 models include a knob to make turning easier.

#### SPEED HOLD SYSTEM

Four speed hold options allow you to take your foot off the accelerator and cut at a relaxed, consistent speed.

#### COLOUR LCD DISPLAY

A bright and easy-to-read LCD panel clearly and concisely displays all the information you need.

#### LED HEADLIGHTS WITH DAYTIME RUNNING LIGHTS

Powerful LED headlight beams switch on automatically to provide more visibility when you need it.

#### ERGONOMICALLY DESIGNED SEAT WITH ARMRESTS

A high-back seat with foldable armrests places you in complete comfort whilst you take care of your space.

#### DEVICE HOLDER

Stay connected with a built-in device holder that keeps your phone safely within reach whilst you are mowing.

#### USB SOCKET

A handy USB charger, built right into the mower, means you can charge your mobile devices on the move.

### KEY TECHNOLOGY

Clever technologies that make it easier than ever to keep your pristine lawn perfectly maintained.

#### VERSAMOW™ SELECTIVE MULCHING SYSTEM

Integrated mulching capability means you can mulch, collect or discharge, simply by adjusting a lever.

#### SYNCHRONOUS BLADE CUT

Blades have an overlapping cutting area for greater accuracy when mowing and a more consistent cut every time.

#### OPTIFLOW

A combination of powerful suction and controlled airflow to significantly boost grass collection performance.

#### Pro ENGINE PRO SPEC

Built with steel and cast iron for more robust work.

#### HYDROSTATIC DRIVE

For greater accuracy, Hydrostatic Drive gives you smooth, stepless speed control.

#### ELECTRIC GRASS DUMP

Press for speedy unloading. Our Electric Grass Dump effortlessly empties your grass bag for you.

OUTSTANDING PERFORMANCE.  
THOUGHTFUL USABILITY.

# HF SERIES

Cutting-edge technology packs this powerful range with features that prove every tiny detail has been considered. From helpful innovations like smooth and consistent Hydrostatic Drive and automatic LED headlights to a choice of unique Optiflow grass collection or clever Versamow™ Selective Mulching. Ergonomically designed seats and a luxury-feel steering wheel join a bright

LCD dashboard, device holder and USB charger to ensure you are always comfortable and connected. Whilst the addition of a 350 litre\* grass bag with electric emptying capability and lawn-protecting tyre treads allow you to smoothly navigate gardens, sports grounds and parklands, delivering an impressive cut every time.

## HF 2317 AT A GLANCE

The HF 2317 is a durable lawn tractor that gives an accurate cut every time. Featuring powerful Hydrostatic Drive for constant speed, a 280 litre grass bag and Optiflow technology which improves air flow and enhances collection performance, an effective and reliable option.

1	MODEL OPTION	280L GRASS BAG CAPACITY
92cm	CUTTER DECK	NO VERSAMOW™ SELECTIVE MULCHING

## HF 2417 AT A GLANCE

Our HF 2417 is the perfect all-round lawn tractor. A state-of-the-art LCD display and 102 cm anti-scalp cutter deck join our fan-powered Optiflow system that enhances collection, and synchronised blades that make mowing even more accurate. All the comfort and control you could ever want from a tractor.
